Vietnam pockets 2.5 billion USD from rice exports in nine months

Vietnam Plus : 08/October/2018

Vietnam : Vietnam shipped nearly 5 million tonnes of rice abroad in the first nine months of this year, earning 2.5 billion USD, up 8.5 percent in volume and 23.2 percent in value year-on-year, statistics show.

China remained the largest importer of Vietnamese rice, accounting for 23.2 percent of the total, according to the Agro Processing and Market Development Authority under the Ministry of Agriculture and Rural Development. [Read more](#)

VN rice exports reaches new heights

Vietnam News : 12/October/2018

Vietnam : Rice production and exports has shifted towards quality and added value, promoting safe production and applying high technology while organic agriculture has been given special attention for development. That was the message from Deputy Prime Minister Vương Đình Huệ delivered at the 10th World Rice Conference held in Hà Nội on Thursday. [Read more](#)

Govt to provide harvesting machines, expects record high rice prices

Bangkok post : 04/November/2018

Thailand : The Commerce Ministry will help farmers with sufficient harvest machines at a reasonable cost in November-December to gather all rice crops in time. This year's rice prices are expected to set a record, said acting government spokesman Buddhpongse Punna-kanta on Sunday.

Mr Buddhpongse said with the availability of harvesting machines, farmers will be able to harvest crops in time to maintain high quality and command high prices. [Read more](#)

Japanese firm seeks Cambodian rice supplier

Khmer Time : 26/October/2018

Cambodia : Mr. Moul Sarith, CRF secretary-general, yesterday told Khmer Times that representatives of Tanaka Food Industry Corporation have approached his organisation in search of a partner that will supply them with Cambodian fragrant rice, whose reputation abroad continues to improve after a local brand took home this year's World's Best Rice award.

Mr Sarith said that it is the first time the Japanese company looks for rice suppliers in the Kingdom. He said it imports around 100 tonnes of rice from Thailand a year. [Read more](#)

China to open its USD 2 bn rice market to India

Krishijajran : 31/October/2018

India : India has made a deal with China to open up its 2 billion USD rice import based on an agreement signed between Prime Minister Narendra Modi's visit to China.

At Shanghai Cooperation Organisation Summit a protocol on the exports of non-Basmati Rice was signed. Later Chinese authorities visited Indian rice mills and out of that 24 Indian mills were approved for exports of rice to China. [Read more](#)

Asia Rice: Thailand eyes deals with Philippines, China; India demand tepid

Reuter : 01/November/2018

Thailand : In Thailand, benchmark 5 percent broken rice prices were quoted at \$380-\$400 per tonne, free on board (FOB) Bangkok, dropping from \$400-\$402 last week.

The weakening of the baht against the U.S. dollar was the main factor behind the drop in prices this week, Bangkok-based traders said, adding that overseas demand for Thai rice remained flat and the market also expected additional supply from the new crop. [Read more](#)

Thailand eyes new rice sales in push to 11m-tonne target

Bangkok Post : 0/November/2018

Thailand : With a weakening baht and anticipation of a new harvest, rice dealers are finding a tepid world market as they struggle to make final sales that could result in a 2018 total export of 11 million tonnes. (File photo) A weaker baht pushed rice export prices in Thailand lower this week, although there were expectations of new deals with the Philippines and China, while rates in India languished at the 21-month lows hit last week due to sluggish demand.

In Thailand, benchmark 5% broken rice prices were quoted at \$380-\$400 per tonne, free on board (FOB) Bangkok, dropping from \$400-\$402 last week. [Read more](#)

EC upholds Italy rice appeal agst Myanmar-Cambodia

ANSA : 06/November/2018

Cambodia : The European Commission on Tuesday upheld an appeal from Italian rice producers saying they had been damaged by zero-tariff imports from Myanmar and Cambodia. Tariffs may soon be reintroduced against these two countries, it said. An EC probe into the matter began in March. The C will now propose to the EU-28 a vote on restoring tariffs on the two Asian countries. [Read more](#)

Rice exports to EU to be hit by tariffs

Khmer Time : 08/November/2018

Cambodia : Cambodia is looking for new markets abroad for its rice, following news of impending tariffs in the European Union.

Hun Lak, vice president of the Cambodia Rice Federation, said the EU intends to impose tariffs on Cambodian rice based on complaints raised by Italy and Spain. "They produce their own rice and they requested that the EU protects their rice instead," Mr Lak said. [Read more](#)

Getting richer, more Indonesians shift to premium rice

The Jakarta Post : 12/November/2018

Indonesia : Following the consumption trend of middle-income consumers, rice producers have started to distribute more premium rice instead of medium-quality rice, a report submitted to the Indonesia Stock Exchange (IDX) says. [Read more](#)

Myanmar earns over 435 mln USD from rice export in 7 months

Xinhua : 11/November/2018

Myanmar : Myanmar earned 435.96 million U.S. dollars from export of rice and broken rice as of Oct. 26 this year, the Myanmar Rice Federation (MRF) said Saturday. From April 1 to Oct. 26, over 1 million tons of rice was exported to 43 countries and 251,224 tons of broken rice to 18 foreign countries, respectively. About 53.4 percent of rice and broken rice were exported through border gates while the rest via sea routes during the period. The country earned over 1.1 billion U.S. dollars from export of 2.89 million tons of rice and 620,696 tons of broken rice in last FY 2017-2018. [Read more](#)

Rice seeds to be distributed to flood victims this weekend

Khmer Time : 04/October/2018

The Agriculture Ministry will distribute about 3,000 tonnes of rice seeds to the farmers affected by floods across the Kingdom, an official said yesterday.

Ngin Chhay, director general of the ministry's general agriculture department, said the ministry has prepared about 3,000 tonnes of rice seeds to aid farmers whose crops were destroyed by floods.

Better technologies needed for rice production

Phnom Penh Post : 06/October/2018

Cambodia : The rate of machinery use in agriculture in the delta is higher compared to other regions in Vietnam. However, the area's rice processing capability is only average when compared to other Asian regions, which makes it harder for Vietnamese rice to compete with other rice exporting countries, according to the Ministry of Agriculture and Rural Development's Agro Processing and Market Development Authority. Change in rice labels seen to cause confusion among buyers

Cedu Daily News : 15/October/2018

Philippine : Although the suggested retail price (SRP) on rice has yet to be implemented in the region, some vendors expressed concerns on the standardization of rice labels that may affect their sales. Reslyn Belia, 42, said most of her customers would want to buy rice with brand names like Ganador, Lion Ivory and Senandomeng. [Read more](#)

Recent study documents damage to rice crops by three fall-applied residual herbicides

Cambridge University Press : 15/October/2018

Italy : The warning follows field studies conducted in Stoneville, Mississippi, where rice is frequently planted in rotation with soybean, grain sorghum, and cotton. Researchers made fall applications of clomazone, pyroxasulfone, S-metolachlor, and trifluralin to determine their impact on subsequent rice growth and yields.

Each herbicide was applied at both the suggested use rate and at two times the suggested use rate to see whether their persistence in the soil would negatively influence rice planted during the following growing season. [Read more](#)

Japan's farmers double output of premium rice

Nikkei Asian : 07/October/2018

Japan : Japanese rice farmers are expanding production of new, pricier brands, a move to shore up income as consumers eat less of the staple.

The output of 10 leading brands introduced in 2015 through 2018 is set to more than double this year to a little over 50,000 tons, a survey of prefectures found. Shinnosuke, from the famed rice-growing region of Niigata Prefecture, is set to post a 120% increase to 11,000 tons. Niigata is focusing on marketing the new grain in greater Tokyo, looking to boost name recognition in the country's largest market. [Read more](#)

Lower soil moisture slows down pace of rabi crop cultivation

Business Line : 02/October/2018

India : The threat of lower soil moisture levels and delays in kharif harvests across States seem to be having an adverse impact on rabi sowing. Most crops barring one or two saw lower acreage under planting till the end of the week, according to data released by the Agriculture Ministry on Friday.

During the current rabi season, farmers have planted only around 85 lakh hectares (LH), which is 8.7 per cent lower than the 93 LH covered till the corresponding week last year. [Read more](#)
